

MEET THE ULVERSTONE WATERFRONT!

A special place. Our future.

The Ulverstone waterfront is a place where we play, explore, spend time with family and friends, exercise, enjoy nature and connect with our community.

WHAT IS A MASTER PLAN?

A Master Plan is like a big plan for the future. It looks at how a special place can grow and change over the next **20 years**, while keeping the things we love.

WHY ARE WE ASKING YOU?

You know the waterfront best! We want your ideas so we can make sure the plan includes the things that matter most to kids and young people.

Your ideas today can help shape the waterfront of tomorrow!

WHAT HAPPENS TO YOUR IDEAS?

All your ideas will be read and used by the project team. They will help design a waterfront that is better for everyone – now and in the future!

WHAT AREA ARE WE TALKING ABOUT?

The Master Plan area includes the Ulverstone waterfront and nearby spaces along the Leven River.

It includes places like:

- The rowing club
- The Rocket Park
- The wharf
- The yacht club
- Otto's Grotto
- The Soundshell
- The Waterslide
- The Dinosaur Park
- Buttons Beach
- The surf club
- The skate park
- The pump track
- Buttons Creek
